**!! Warning! Note of the Court of Registry:**

Announcement of commercial registry entries is made only online and no longer in paper form.

The publications in the joint registry portal of the federal states (that can be accessed **free of charge** on the Internet at <http://www.handelsregisterbekanntmachungen.de>) enable diverse address book publishers and other businesses to offer for-fee services – such as, for instance, inclusion in an address compendium or the creation of a document relating to the commercial register entry.

These offers, in the form of invoices, are in the meantime also made with a warning derived from the judicial warning.

**It is therefore expressly pointed out that invoices of the Court of Registry of Charlottenburg (Berlin) for commercial register entries are issued exclusively through the Kosteneinziehungsstelle der Justiz (KEJ) [Cost Recovery Office of Justice].**

Should there be any uncertainty about payment obligations or the seriousness of address book publishers, ask your IHK [Chamber of Industry and Trade] Berlin.
